The purpose is to introduce PERC a software to support their Productive Management Methodology for Health Services to better respond to current approaches and emerging practices of the management of health services. The workshop will target the Eastern Caribbean countries/territories.

27. Hellner, K., Baldwin, A., Xian, J., Stein, R., Glicksman, M., Munger, K., “PAK3 Inhibitors Identified By High-Throughput-Screening As Therapeutics For HPV-Associated Cancers” 25th International Papillomavirus Conference, 8-14 May, 2009, Malmö, Sweden

32. Macpherson, C.C. “Teaching Medical Professionalism through Basic Science Courses.” International Conference on Medical Professionalism and Humanity: Science Education for Tomorrow’s Health Professionals. Center for General Education, Kaohsiung Medical University, Taiwan. 5 Dec 2009 (and to organize a workshop on this topic 4 Dec 2009)

2008 (53)

26. Macpherson, C.C. “Bioethics and the Professional”. Cultural Competency and Its Effect on the Delivery of Healthcare from Medical School to the Community, CME sponsored by St. Joseph’s Hospital and Medical Center (New Jersey) and St George’s University (Grenada). St George’s, Grenada, 13 February 2008.
27. Macpherson, C.C. “Culture and Gender in Medicine”. International Course on Culture in Medicine, Uppsala University School of Medicine, Sweden, May 2008.
28. Macpherson, C.C. “Culture in Medicine”. International Course on Culture in Medicine, Uppsala University School of Medicine, Sweden, May 2008.
32. Macpherson, C.N.L. The Role of Ultrasound in Prevalence Studies, Short Course on Abdominal Ultrasound in Infectious Diseases and Tropical Medicine, Pavia University, Italy, 9-11 April 2008.
33. Macpherson, C.N.L. Ultrasound: Its Role in the Epidemiology, Diagnosis, and Treatment of Parasitic Disease, Lecture, Christ Mercy Memorial Hospital, 1 July 2008, Chicago, USA.

46. Rayner, J.C. Invited Plenary session speaker: “Recipe for Disaster/Road to Success: Experiences with Team Based Learning (TBL)”, Association of Medical Schools Microbiology and Immunology Chairs 12th Microbiology and Immunology Educational Strategies Workshop, Myrtle Beach, South Carolina, USA, 3-7 May 2008.

47. Rayner, J.C. Invited Workshop presenter: “Course Management Systems for teaching Microbiology and Immunology”; 2-hour evening workshop, Association of Medical Schools Microbiology and Immunology Chairs 12th Microbiology and Immunology Educational Strategies Workshop, Myrtle Beach, South Carolina, USA, 3-7 May 2008.

48. Rooney, P.J. “How to Approach the Patient with Joint Pain”, the St Lucia Lupus and Arthritis Association Regional Rheumatology Conference organised in collaboration with the University of the West Indies. 28 - 29 September 2008, St Lucia.

2007 (19)

2. Blunt, R. Faculty development in the context of learner-centered educational support for the basic sciences: a case study. *Association of Medical Educators of Europe (AMEE)*, 25-29 August 2007, Trondheim, Norway.

10. Cox Macpherson, C. Professionalism: What is It? First Annual Bioethics Forum of the Bioethics Society of the English-speaking Caribbean (BSEC), 4-7 May 2007, Montego Bay, Jamaica. Dr. Cox Macpherson is the Vice President of the BSEC.

16. Pickney, R.D., Infectious diseases transmissible from animals to humans, 27 March 2007, SGU, 6 hours.

2006 (53)

24. Kurent, J., Cox Macpherson, C. and Yearwood, R. Pain Management and Palliative Care Education: A Collaboration between the Medical University of South Carolina, St. George’s University School of Medicine and the Ministry of Health, Grenada, West Indies. Medical University of South Carolina Faculty Convocation featuring International Collaborators, South Carolina, USA, August 2006.

33. Martin, C.C. Gene expression profiling of histone deacetylene 1 (HDAC1) deficient zebrafish embryos reveals a functional role in the development of fins, cartilage and neuronal structures. 16th Lake Shirakaba Conference, 6-7 December 2006, St. George’s, Grenada.

2005 (20)

1. Brunetti, E., Macpherson, C.N.L. and Richter, J. Short Course on Abdominal Ultrasound in Tropical Medicine, Division of Infectious and Tropical Disease, IRCSS S.Matteo – Pavia University, Pavia, Italy. 20 hours of lectures for MDs and clinicians. 28 March – 1 April 2005.
6. Hansen, P. Co-Chair, IUPS satellite meeting following the Congress of Physiology Education, 7-10 April 2005, Pali Mountain, California.
produção de potros no Paraná. I Fórum Brasileiro de Estudos sobre Neospora caninum, São Paulo, Brazil, 15-16 September, 2005.

12. MacDonald-Smythe, A. Macocotte—Female Friendship by Another Name: An Exploration of Same-Sex Friendships in Buxton Spice and Annie John. 23rd Conference in West Indian Literature, St. George’s University, St. George’s, Grenada. March 2004.

15. Macpherson, C.N.L. The role of academic institutions in the lymphatic filariasis elimination program in the Americas, 6th Regional PAHO meeting, on the program for the elimination of lymphatic filariasis, Costa Rica.

2004 (28)

5. Cox Macpherson, C. Palliative Care and Ethics. Women’s Health Course, Uppsala University School of Medicine, Sweden, May 2004.
15. MacDonald-Smythe, A. *Macocotte*—Female Friendship by Another Name: An Exploration of Same-Sex Friendships in *Buxton Spice* and *Annie John*. 23rd Conference in West Indian Literature, St. George’s University, St. George’s, Grenada. March 2004.

2. Bhusnurmath, S. and Bhusnurmath, B. Visiting Professor at Jawaharlal Nehru Medical College, Belgaum. Held Postgraduate Pathology seminars in Pathology Viral Hepatitis and slide presentation on Liver Biopsies. S. Bhusnurmath gave talk on “Concept Maps in the teaching of Pathology” at the Scientific Society of the JNMC, Belgaum. August 2003.

7. Cox Macpherson, C. Research ethics, CHRC Basic Research Skills Training Workshop, conducted by the Caribbean Health Research Council (CHRC) in collaboration with the Ministry of Health, Grenada and St. George’s University, Grenada, 1-3 September 2003.

12. Macpherson, C.N.L. Dr. Macpherson led a group of students from the Graduate Studies and MPH programs and the School of Veterinary Medicine went to Morocco and Uganda., May – July 2003. Dr. Macpherson and his research assistant, Mr. T. Noel, were presented by the King of Morocco’s representative with medals for services to Morocco. Over 9,000 Berber people were screened for cystic hydatid disease, and those identified as being infected were treated.

14. McCann, T.J. and Abbas, Z.G. Determinants of Noncommunicable Diseases in a Muslim Community in Tanzania. Invited poster presentation at the Society for Epidemiologic Research, Annual Meeting,

21. Morrall, C. Represented SGU at The Relevance and Benefits of International Oil Pollution Compensation Funds to OECS Member States Seminar, hosted by the Grenada Ports Authority and run by representatives of the International Maritime Association and the International Tanker Owners Pollution Federation Limited, March 2003.

2002 (40)

1. Anson, R.M. Planarians as animal models for comparative biogerontology: a prospectus. 16th Annual Meeting of the American Aging Association, San Diego, California, USA.

2. Anson, R.M., Guo, Z., de Cabo, R., Iyun, T., Rios, M., Hagepanos, A., Ingram, D.K., Mattson, M.P., Lane, M.A. The protective effects of dietary restriction can be dissociated from calorie intake. 16th Annual Meeting of the American Aging Association, San Diego, California, USA.

5. Benjamin, D. The resurgence of the extreme right after the Cold War. Guest Speaker at the Alliance Française, On the Observance of Bastille Day, Alliance Française, Grenada, July 2002 Annual CHRC Council Meeting, Guyana.

7. Bhusnurmath, B. and Bhusnurmath, S. Workshop on Interpretation of Liver and Kidney Biopsies. Postgraduate seminars in Pathology, Jawaharlal Nehru Medical College, Belgaum, India.

13. Cox-Macpherson, C. and Connolly, R.L. Disclosure in cross-cultural research: A little information may be too much. Values in Health Care Conference, Milwaukee, Wisconsin, USA.

18. Lennon, D. Introductory level workshop on test construction and test item banking using LXR test 6.0. 9th Microbiology and Immunology Educational Strategies Workshop. 4-8 May 2002, Myrtle Beach, South Carolina.

39. Qureshi, A. Management of a student’s challenges to exam questions. 9th Microbiology and Immunology Educational Strategies Workshop. May 4-8, 2002, Myrtle Beach, South Carolina.
